<i>Key Figures</i>		
		
Sales	650 mil.€	31 mil. €
Employees	3200	185
Operating Units	30	4

COESIA GROUP

The Company

Jobs S.p.A. designs, manufactures and markets

- 5-axis high speed milling machines
- for machining of medium/large sized work pieces
- with complex shapes and profiles

THE COMPANY

Fields of Application

- Car design and prototyping
- Mould & dies
- Aeronautic industry
- General engineering

**FIELDS OF
APPLICATION**

PART PROGRAM SIMULATION

VIRTUAL PROTOTYPING

Thermal analysis:

- Thermal profiles for components, milling heads, machine parts
- Cooling optimization
- Thermal compensation

Experimental modal analysis:

- Frequency response
- Mode Shapes (for structural design optimization)
- Control System tuning
